## Spanks love

**T**hese photos were taken by my husband after I had been a really naughty girl with a male friend.

My husband insisted on hearing all about what I'd got up to with Charlie and got really turned on! I hope you will too.

I told him how Charlie had started kissing me and feeling my big, soft tits and rolling my nipples in his fingers before gently pushing me down onto my knees. His enormous erection was waiting for me.

I sucked it greedily and after a while of this he told me to get on all fours.

He smacked my peachy arse until it was hot and red

then got behind me and slammed his lovely hard cock right up inside me, being sure to pull himself in even more by reaching for my dangling boobs.

My husband would like to

## I love the feel of sticky cum up me

After shagging me hard for a while he lay me down on the floor and produced the vibe I had brought with me. He pushed it up me till I was soaking wet and panting from cumming.

I finished him off in my mouth and I could still taste his spunk when I recounted this an hour later to my husband.

He got really turned on and made me bend over for a proper bottom warming before fucking me and watching me dildo myself till I could cum no more.

Now we'd

watch and then join in. He'll only touch me though! Please contact us! It could be your lucky day!

## Surrey favour

**W**hen I saw Kia in the club, I was in like Flynn, knowing I'd have a good time if I pulled.

I caught up with her later on and we got chatting, so I cut to the chase. She said she liked me but she was "here with someone else". Then she introduced me to that someone - a girl called Nessa.

She was pretty horny too, and I told them I'd be up for taking them both on. Kia didn't appreciate it, but Nessa whispered something to her. Then she asked was I any good with a camera, as they wanted someone to take a few fuck-pictures of them.

Obviously I said yes.

Back at theirs they handed me their iPhone. Nessa told me to drop my kecks in case I ran off with their phone.

I told them to start off slow,

her arse cheeks and pulled her cunt wide open, I moved in for a close-up.

## As she pulled her cunt open I moved in for a close-up

Fine by me. Soon, Kia had Nessa's top up so she could suck her nipples, while Nessa had a hand down Kia's knickers. Kia started frotting and bucking against her mate's hand, and my dick was already starting to throb.

I put my free hand down to wank it, only for Nessa to say, "Oi, no playing with yourself." I pulled my hand away, deciding to save it and carry on snapping, while they got in a sixty-nine.

For all that Nessa acted bossy, she didn't mind being Kia's bitch too. Kia sat on her face and as Nessa spread

I got the best shot of her splaying Kia's dripping labia as she licked clit. Kia didn't take long to cum, then told me to snap a few photos of Nessa while she fetched some toys.

She came back with a few things, including a massive realistic dildo. It looked just like a real cock but about twice the size! I never thought either of them would get it up their cunts, but Kia was so wet she took it in one shove, then pulled it out soaking wet and worked it all over Nessa's tits and face.

That lasted until Nessa opened her mouth wide, licking it first then going down on it as Kia lapped the juices up off her boobs.

Then Kia stuck it back up herself, and got Nessa to do the shagging honours. Nessa had a vibrator on Kia's clit too, so Kia was squirming about, fucking the dildo as much as she was being fucked

by it herself.

It was so intense and it was obvious when she was about to cum.

Her tits were wobbling like jelly and she was so loud that Nessa stuck a smaller rubber cock up her own snatch, then gave it to Kia to suck on to quiet her down. Nessa kept fucking away till Kia was

era and did it herself. She got sharp shots of Kia's swollen, creamed-up hole, then Kia took the camera and snapped her mate licking her clean.

They emailed me a few photos for wanking purposes, but I'm not sure how many of them it'd be legal to print, though!

### FUR-KIN HELL!

Having waltzed away with a SHAFTA this year, blonde dick-stiffener Syren Sexton has landed herself a role in *Strippers vs Werewolves*, the latest comedy horror flick from London-based production company Black & Blue Films. When a bloke enjoying a lap-dance transforms into a slavering, hairy beast, he's killed by a stripper – played by *Emmerdale*'s übersexy Adele Silver. Naturally, the vicious incident incites the dead chap's wolfman mates to seek flesh-ripping vengeance. Although not one of the film's erotic dancers, we're glad to report that Syren's role doesn't require her to leave her kit-off comfort zone. But let's face it, none of us will be watching this for her acting ability! Also leading the semi-clad charge are *Hollyoaks*' Ali Bastian, *Casualty*'s Coralie Rose, and *Hostel*'s Barbara Nedeljakova – another hot-to-trot trio of reasons why you'd be barking to miss *Strippers vs Werewolves* when it hits multiplexes this winter.

# REAL WIFE SEX

Janet,  
St Albans

**Hiding behind the drapes, David sees his missus put on one helluva show...**

**L**ike a lot of guys, the thought of being able to watch my girlfriend getting well and truly fucked by another man really turns me on.

Janet is a very liberal minded girl and loves describing the filthy things she'd do with another prick to turn me on while I was humping her.

She got really excited at the idea of me watching secretly as she sucked on a stranger's cock or let him stick his meat in her tight little arsehole.

We'd often talked about how to turn my fantasy into reality, but it was only when we were on holiday in Mexico that the perfect opportunity actually presented itself.

Janet has a great body with nice, full tits, long legs and a fabulous curvy

arse that guys seem to drool over, so she immediately attracted the attention of the randy waiters in our hotel, even though she was clearly with me. I'm used to the reaction she causes in other blokes,

**I rushed on to the balcony to watch**

however, and my imagination ran riot as I watched men's eyes follow her across the room, lusting after her and wishing her lips were wrapped around their cocks instead of mine.

One of the bar staff took a particular shine to Janet, and I'd purposely send her to the bar for the drinks so I could watch him flirt outrageously with my girlfriend, even stroking her arm gently as he ogled her cleavage and made suggestive remarks.

I took pleasure in pretending to be the dullard husband who had no idea his wife was at risk of getting carried off by this lusty macho Mexican and we decided he would be the lucky bastard to get his cock inside

# My

Janet's pussy and set it up for the very next night.

I'd been waiting in our room for about an hour when I heard the key turn in the lock and rushed out onto the balcony to hide, my dick already rigid with the anticipation of what I was about to see.

Janet came into the room with the guy, still dressed in his waiter's uniform and, as I peered through a gap in the curtains, she pulled him to her and stuffed her tongue into his mouth, his hands slipping around her waist and gripping her buttocks as he pressed his crotch against her. My cock pulsed with a mixture of jealousy and lust as they

# CURTAIN CALL!

continued to snog passionately in front of me.

Turning him round so that his back was towards the window, Janet unbuttoned her blouse and slipped it over her shoulders, her lovely fat boobs swaying slightly as she knelt and unzipped the guy's trousers. Janet looked at me as she eased his dick from his pants and rubbed the tip of the semi-stiff prick against her nipples.

I moved to one side for a better view and slowly began to wank as I watched my baby lift his circumcised knob to her lips. Jeez, I nearly came there and then as she swirled her tongue around the bulbous end, before taking it completely

into her mouth and sucking it hard. I could see her cheeks going in and out as she slurped on it, her eyes never leaving the gap in the curtains where she knew I'd be watching this filthy display.

The guy's hands reached down to my

**She pumped the stranger's shaft**

girlfriend's tits and he squeezed them roughly as she began to pump her mouth up and down his shaft, cupping his heavy balls in her hand at the same time.

Fuck, this was hornier than I'd ever imagined, and I knew that whatever happened next, I'd be screwing her brains out before the night was through. The Mexican obviously had the same idea and pulled Janet onto the bed, pushing his hand between her bare thighs as she straddled his crotch. I could actually see first one finger and then another push inside my girlfriend's cunt, right up to the hilt. She arched her back and rolled her eyes as he finger-fucked her gash, his mouth locking onto one dangling breast in turn while his rock hard dick slapped

## Pizza the action

I'm writing this just after a fuck-session with my lesbian girlfriend, Mia.

We read a lot of mags like yours for inspiration and the

cumming around her fingers, with her pussy juices smeared all over my mouth, cheeks and chin. If I lick my lips I can taste her cunt, and think about how it felt all hot and puffed up against my mouth while I was eating her out.

Although we're each other's

before he finally sinks it in.

I'll get my head right down for a close up of it going in and out, giving her clit a licking and hoping he'll pull out for a few seconds so I can oralise his dick as well.

Mia's clean-shaved – she'd be all bush if she just let it grow! Like me, she prefers it when a man cums inside her, so she can feel his hot spunk wash up against her inner walls.

It's so horny to watch a bloke's balls bunch up as he

hell liked doing that just now. But she won't be shocked if she reads this confession as she knows how much I love cock.

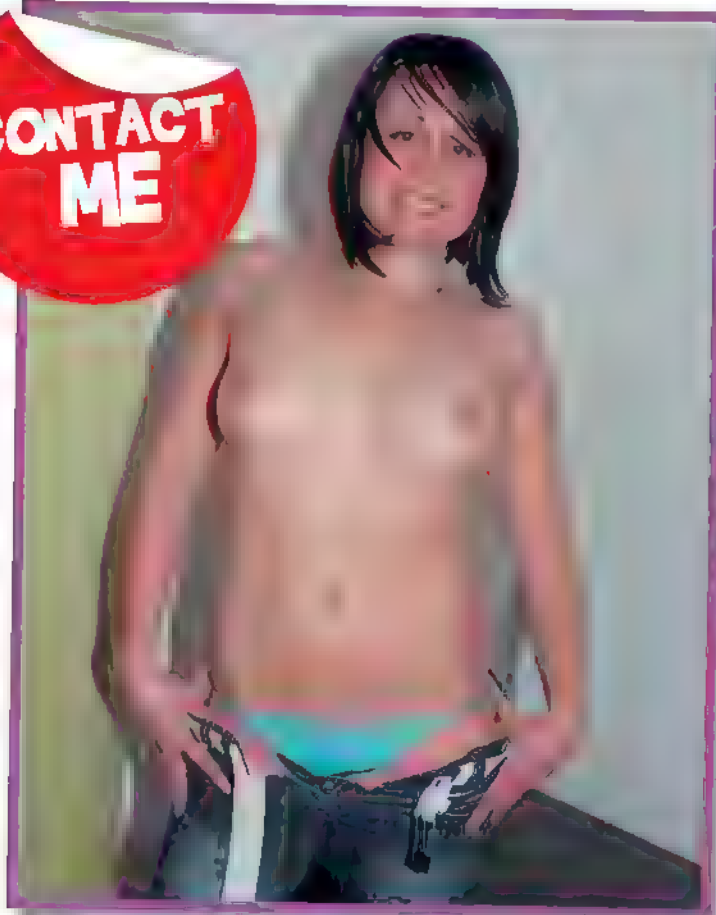

Half the turn-on is watching her take one, too. I like to be a part of it, holding her hole wide open with my fingers, then watching the guy wank himself against her opening, frustrating the hell out of her

gives her a twatful, and then when he pulls out and rubs the head of his prick all over her bald mound.

Sometimes he'll just move clear and I'll take over, lapping and sucking the jizz out of her then licking it all over her crotch.

Mia's lying on the bed right now, and I'll leave it up to her

sheer fucking thrill of seeing gorgeous naked women, and she wanted us to write in.

She wants me to do the writing because she's Italian and so my English is better than hers. She also reckoned I should do it when it's all as fresh as possible in my mind.

That's why I'm sat naked at my computer, shaky from

most serious partner, we're both bi and so we don't mind bringing a man into it sometimes. To let you into a secret, I like the taste of her juices best when they're coating a cock I'm licking or just taking in my mouth.

She thinks I love them best when I drink them straight from her pussy – and I sure as

Mia,

to decide what we're going to do next. I'm going to focus on the screen, not looking but waiting for her touch. It's the not knowing that'll really give me a thrill.

Maybe she'll give my slit a delicate licking, using just her tongue tip, teasing me for as long as we can both bear it.

Then maybe she'll lick her way up to my arsehole, give that a bit of attention too, wetting it with her spit, then sucking on a finger so she can push that in a bit deeper.

Or, if I'm really lucky, she'll be slipping on her dildo harness, ready to give it to me hard from behind.

**£120**

We use a rubber cock that's bigger, thicker and just as hard as the real thing, and obviously stays that way for just as long as we need it to.

When I've had a seeing to from it, I know I've had the arse shagged off me, and usually all I can take for the rest of the night is a soft licking.

I'll sign off now because I think Mia's ready for whatever she's got in mind. She doesn't want to read my letter until it's in the mag – so let's hope it gets printed.

The one sure thing is that we both hope you'll get a big hard-on from us sharing the details of the dirty stuff we get up to – or a soaking-wet pussy if you're a female reader!

and flicked it over his slit. His hips surged, pushing his cock deeper in my mouth and I rubbed my questing tongue over his length, letting the ball of my tongue bar glide over his hard cock.

I worked my pussy against his face and I screamed when I came hard. I dragged him up

and kissed him and tasted my juices on his tongue.

He lifted me and I wrapped my legs around his waist. I slid down my wet pussy on to his cock and took him deep.

He sat in the chair and gripped my hips as I rode him. I raised myself up until only the tip of his cock was inside my pussy before I slid back down his length. His cock hammered into me. I arched my back as he sucked my nipples. I came hard and he followed...

"Can anyone confirm that?" I uncrossed my legs and gave him a look at my wet thong. My tight skirt rode up to my hips and I parted my thighs.

"Only my vibrator." His eyes heated. He loved me talking dirty. "I can show you

He pulled his hard cock from his trousers and I watched hungrily as his fist blurred round his cock. He approached me and I wrapped my lips around his cock and swirled my tongue around his head.

I pumped my head down until he touched the back of my throat and played with his balls. He ripped my thong off and he pushed his fingers into my soaking pussy and his thumb rubbed my clit.

I ran my tongue up his cock

# KINKY WIFE!

£100

When he went down to the woods, Gary's girlfriend Karen (37) was in for a big surprise...

## DEAR ESCORT,

Just recently I came home from work early as I sometimes do and found that my girlfriend Karen wasn't at home. She had left a note that said she had gone for a walk in our local forest – along the route we always took so as not to worry.

I had nothing else to do so I decided to see if I could catch up with her.

I found the path we usually took and started along it. I had not walked very far when I heard noises which sounded like someone whimpering. As I turned the corner I was shocked to find Karen was sat on a large log

with her dress pulled up, legs spread wide apart and some young guy on his knees with his face buried in her cunt (we later learned that his name was Mark).

She was moaning and whimpering and had her ample tits out. She was rubbing and pulling at her nipples in total ecstasy and I could hear Mark slurping away at her wet cunt. From where I was standing neither of them had heard me so I got back behind a tree and watch the proceedings.

It wasn't very long before I heard her cry out with her first orgasm. She then stood up and made Mark sit on the log.

CONTACT ME

She got down on all fours in front of him, took hold of his cock, stuck it in her mouth and sucked greedily on it. As she was pre-occupied I crept up behind her with nothing on from my waist down. Mark saw me but I signalled to him to be quiet and say nothing.

I pushed my rock hard cock up against her now soaking wet cunt and expected her to turn around but she didn't! Instead she pushed back as my cock now entered her

I thrust hard into her and she started to moan and slap her arse cheeks back against me. Mark told me to fuck her hard which I did, gazing down at Karen, now taking nearly all of Mark's cock in

**Karen,

# MEET

her mouth as my thrusting forced her to take him deeper.

I started to finger her arse and used her fanny juice to lubricate it. I pulled my cock out of her cunt and proceeded to push my cock into her arse. She screamed out, "Do it to me hard!" which took me by surprise. As she turned around to see me behind her I gave it to her hard like she asked and came deep inside her arse about the same time that Mark pumped his hot jizz down her throat.

We both pulled out of her and swapped around.

I made her lick my cock and Karen wanked Mark off until he was hard again. Then he went behind her and pushed his cock deep into her wet cunt, fucking her hard as she sucked on my cock.

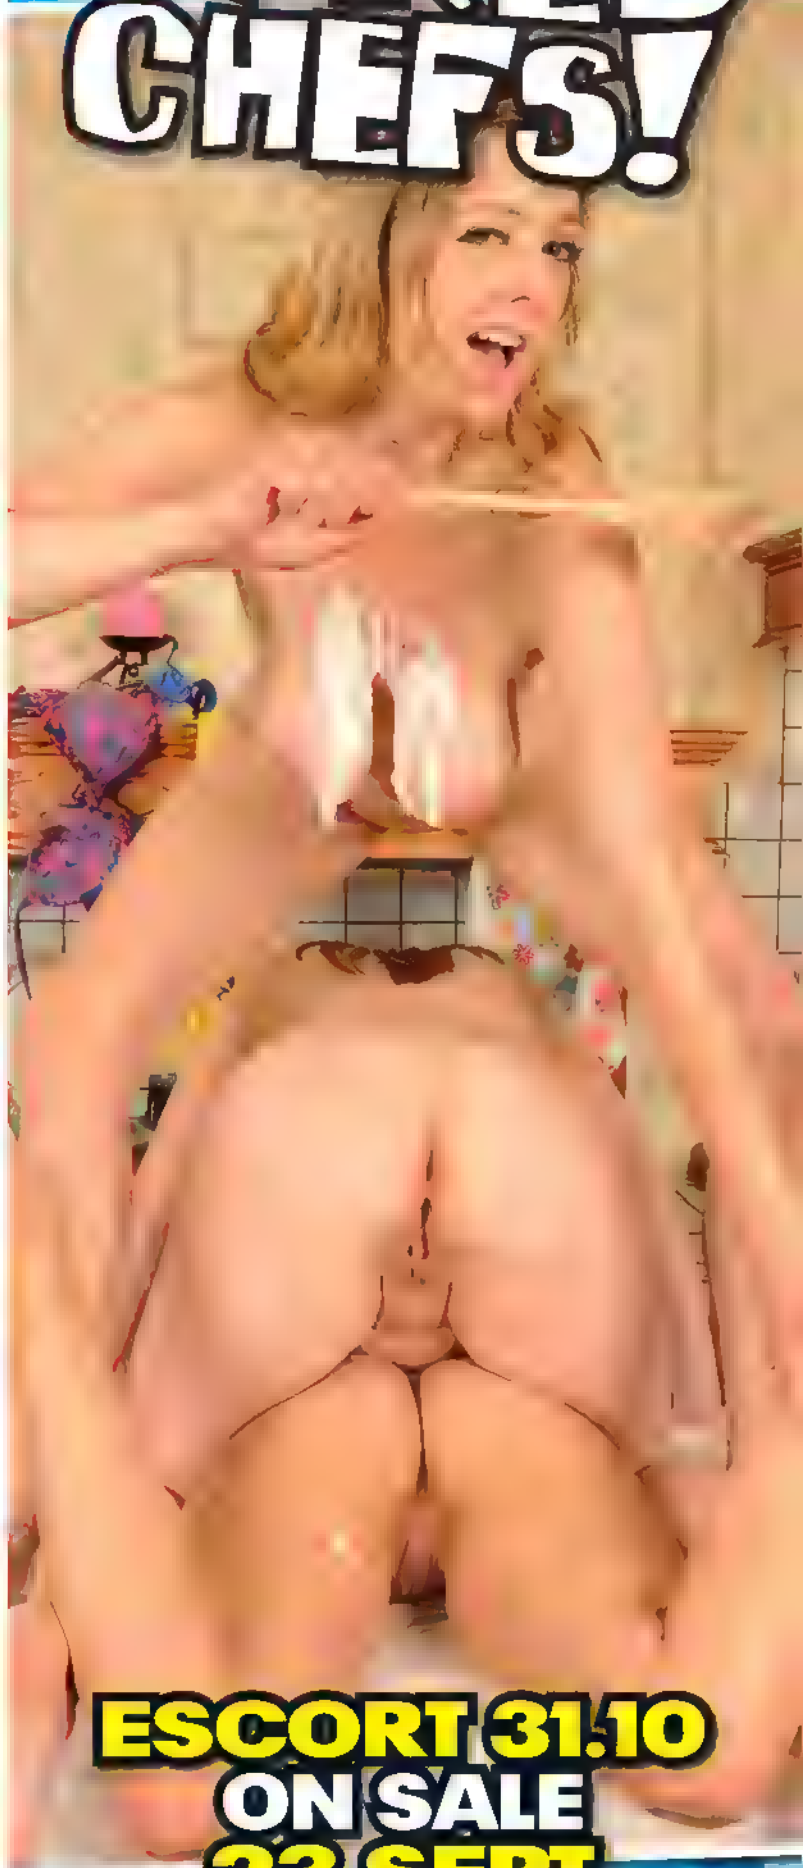

She came once more and I filled her mouth with more sticky white jizz and shortly after Mark filled her cunt with his. We both pulled out and she laid on the ground in a very satisfied and fucked heap.

I thanked Mark and took my girlfriend home to take these photos after her filthy forest fucking.

Gary, Norfolk

# REAL WIFE SEX

David's story continued from page 19

against her thigh.

Janet suddenly clambered up the guy's body until her pussy was over his mouth. She looked up at me and just dropped down onto the poor bloke's face, grinding that sodden pink slit of hers hard against his lips. By the look of joy on her face his tongue was inside her and she rode him, mauling her tits as she stared at me, acting the slut for my cock while another man licked her out.

Janet let out a yell of pleasure as she came and I could even hear the disgusting squelching sounds of his tongue lapping up the cunt juice that I knew would be pouring out of her hole and down his throat.

Janet climbed off him and positioned herself on the bed so that she could look at me while her new lover stuck his throbbing meat into her gaping twat.

I masturbated feverishly as he held her thighs wide apart and slammed his cock straight inside her. She smiled at me as he pulled out and then banged it back in up to his balls. She lifted her legs up and wrapped her ankles around his neck as he screwed her. I could see his glistening shaft stretching her fanny lips with each thrust as he shagged her in a frenzy,

grunting as he hammered his meat into my girlfriend's eager hole. I thought the bed would collapse as they humped in front of me, Janet licking her lips for my benefit as he held onto her boobs while he skewered her faster and faster.

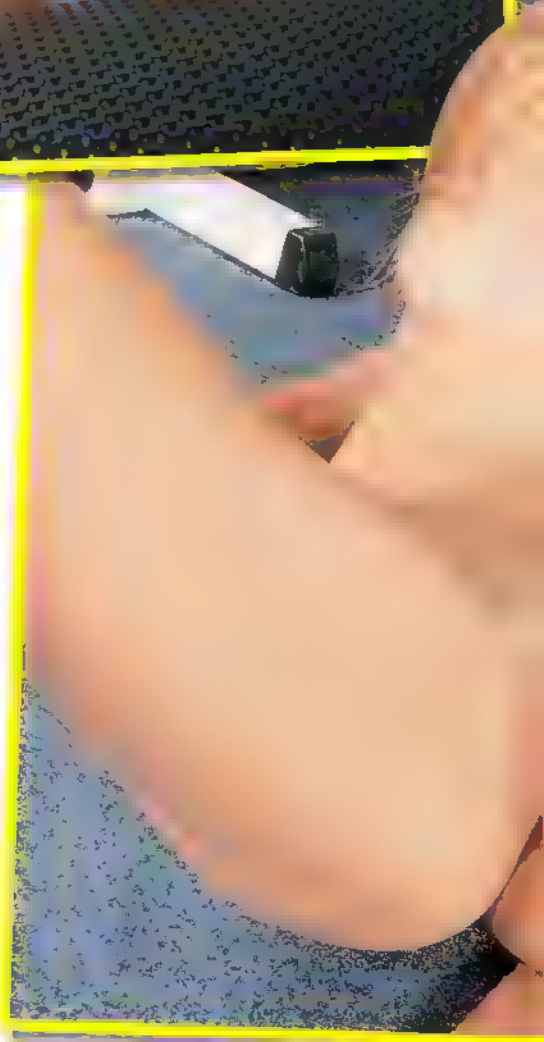

Suddenly, he dragged his dick from her cunt and pointed it at her tits. A jet

## He hammered his meat in her hole

of thick white seed sprayed out of the tip and splattered all over Janet's stomach. The next splashed over her breasts and the third reached her open mouth, which she hungrily licked up.

She sucked his shaft clean, holding on to his arse cheeks and looking round the side of his thighs and giving me a knee-jellifying horny look of satisfaction that nearly had me losing my mess on the carpet and then kicked her conquest out of the room before he even had time to do up his flies.

It was just as well. Unable to wait another second, I burst in from the balcony and dived onto the bed, thrusting my aching prick into her just-fucked

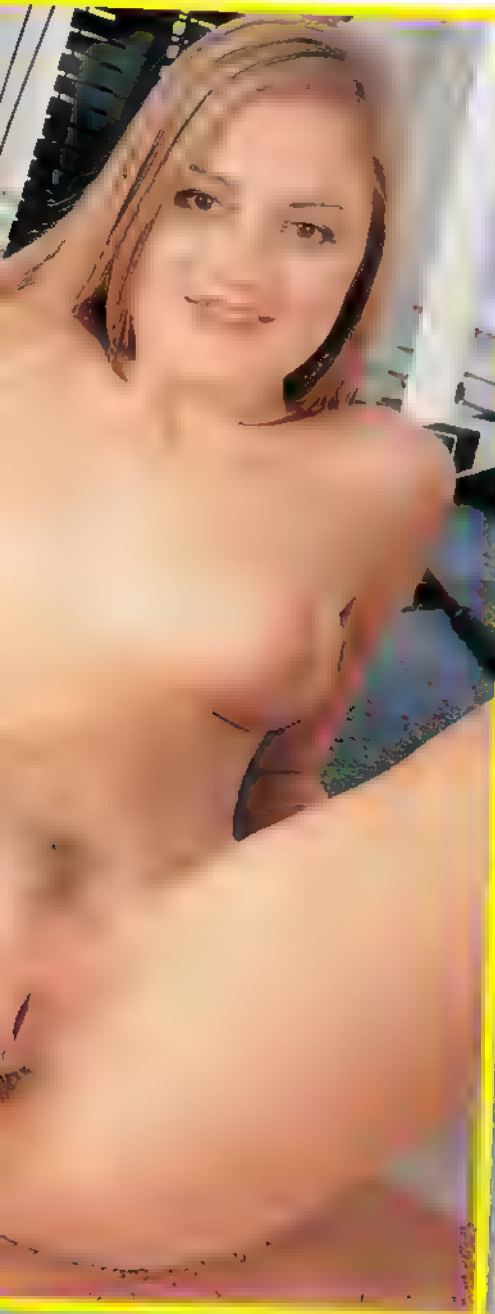

cunt as she smeared the guy's spunk over her tits, before licking the mess off her fingers as I squirted a huge load of spunk deep inside her.

I was so horny that I could feel my cock getting hard again as I rested for a minute between my slut girlfriend's sticky thighs.

Then I gave her a good pounding, spanking her arse and slapping her swinging tits as I rode her all the way to the finishing line again.

We fucked and sucked each other all night and, although we haven't repeated our dirty little game since, we still use the sordid details to spice up our more regular lovemaking. Maybe next year! ⑤

We last shot one off over Maria Sherrif back in *Escort* vol 16 no 10. Now it's 2011 and (as our wives keep finding out) we're still wanking. Luckily for our cocks, Maria is still stripping and showing off her marvelously protuberant nipples. "I live in Surrey now and am mostly on the other side of the camera, but I like to show my bits off occasionally. For one thing I know I still look great and for another – it gives me the raging horn!"

## Wax appeal

**A**lex came round on Valentine's day after I rang and told him I had waxed my pussy. When he turned up, he sniffed my excited fanny.

He knows my snatch almost as well as I do, knows how it looks before and after a good fucking, so he asked me what I'd been up to. "Let's see," I told him. "Maybe after I got waxed yesterday, I felt so horny I went out on a cock-hunt, knowing you wouldn't be around last night."

By now he was feeling me up, just stroking two fingertips over my silky-smooth bald lips, along the edges of the slit in between them.

I told him how maybe I'd

gone down the pub wearing a miniskirt and no knickers, saw a bloke I fancied and gave him a flash of my naked cunt.

Alex jammed his fingers

bloke I'd waxed my bush for Alex. The guy had said if I was his bird, he'd take me off Paris for a dirty weekend. Then I'd told him a quickie out in the car park would do me!

## I came harder and longer than ever

hard up me, making me gasp, and wiggled them about, catching my G-spot.

"What happened? Tell me," he said, and stepped it all up as I refused a couple of times.

I told him how we'd got talking, and I'd told the

I think Alex knew this was a pisstake, that I hadn't really exposed myself to some stranger and fucked him in a public place. But part of him got off on the idea, liked the thought of some bloke bending me over a car bonnet and ramming me raw.

## Wife shaver

**M**y boyfriend Mike walked in on me inspecting my bush in the bathroom mirror. He thought it was hilarious, then I asked did he want to

watch me shave the lot off. Surprisingly, or maybe not, he didn't protest at all!

I soaped up my pubes with loads of shaving gel, then got going with the razor. My hair's quite thick and dark, so the stripes of skin I laid bare looked almost white in contrast.

Mike watched me, hand down his trousers, and I told him to drop them so I could watch him play with himself.

Once I'd rinsed off in the shower and patted myself dry, I started to feel myself up, gently running my fingers over my snatch.

My juices were oozing and, as it swelled up with pleasure, my clit peeked out between my labia. Mike was seeing all kinds of sexy

things normally hidden by my bush, especially when I spread myself open for him.

I told Mike to stop wanking now, that I didn't want him blowing his load too soon. Immediately, he took his hand off his prick, but it was stuck right up in the air, twitching with anticipation.

I laid back on a big, fluffy towel and told him to get on top. He slid up my cunt, grinding in deep so his hairy crotch was rubbing hard against me.

I hadn't seen him this horny since we first started fuck-

ing. Although he strained to keep in control, he couldn't hold back from hammering hard in and out of me.

I couldn't get enough of

his cock, either. I locked my legs around his waist, holding him inside me, pulling him in deeper. Suddenly, he groaned that he was cumming.

I was so turned on now, from the dirty talk and his hand, working away on my cunt. "So he bent you over like this," said Alex, and got me over the bed. I heard him unzip and one second later, he was down to his plums in my cunt. My legs were parted as far as I could, my heart-thong stretched down around my knees.

I had to keep on talking to him, saying how big this stranger's prick was, how his hard fucking had satisfied me.

"This hard?" he'd say then I'd tell him "No, harder than that!" until he was giving it to

me so hard it was difficult to stand up in my heels.

I snatched hold of my vibrator and used it on my clit, letting it buzz through me as Alex reamed me deep. And when I came, it was harder and longer than any time before, including any time in my dirty imagination.

Alex felt it around his knob, which was starting to pulsate too. He thrust in deep, grabbing around me to hold himself in me, then I felt his cum spurt out, hot and thick.

It was the most incredible fuck we've ever had!  
*Fiona, Doncaster.*

I held on tight, let his entire load spurt out inside me. Then, as he pulled out, I told him to watch as I clenched my swollen hole, forcing out a big stream of spunk and juices.

Even though he'd only just cum, he leant forward, using his still-sensitive cock

to rub the mess all over my crotch, wetting my mound and outer labia.

That soon got him hard again for another go, but this time he wanted a mouthful of my shaved snatch, while I went down on him...

## Take your prick

**T**he rule when my wife and I pick up strangers is that I have to sit back and watch for a while before joining in.

We picked up three lads in a club in town and took them to a hotel.

Dan, the bloke she liked most, started to suck on her clit until she was gasping and squirming around the bed.

It didn't take long for her to cum and she let out a huge scream of relief and cum oozed from her pussy.

They all had a good taste of her cunt before they took it in turns to fuck her and her mouth at the same time.

Every time Dan pushed his thick length deep inside her she had a filthy look on her face. She seemed to pay more attention to his cock than the others'.

After about a half hour of watching my wife being screwed by all of them I

on her face.

One by one she sucked our cocks until we shot thick warm spunk all over her face.

She has a skill when it comes to sucking cocks. She can take a full length down her throat and lick your balls at the same time. So it didn't take her long to finish us off leaving Dan till last.

## Three loads of cum dripped off her face

couldn't take it any more and had to join in.

None of us lasted that long from then on so we all lined up for her to take our loads

As she got to him she turned around got on all fours and asked for all his cum to be spurted deep inside her soaking cunt.

To be fair to him he had some staying power. He smashed her for a good 10 minutes while she still had three loads of spunk dripping off her face.

Then with perfect timing they both came together. My wife let out a scream while Dan emptied his whole load inside her.

She lay back with the biggest grin on her face, still gently rubbing her clit with Dan's thick cum oozing from her cunt.

Dan and his friends left but me and the wife spent the rest of the night fucking like rabbits.
